

# NEONWORKSHOPS BERLIN JUNE 2015

## INTERNATIONAL YEAR OF LIGHT

We invite creative professionals, or anyone with an interest in the possibilities of neon light, to join us for a summer solstice party at the glass studios of Berlin Glas e.V. UNESCO has designated 2015 as the international year of light. Berlin, and its associations with Albert Einstein, seems the perfect vibrant city to embrace this theme.

Berlin Glas is an impressive studio with a mission to share the skill of making art with glass. During our residency there between 18<sup>th</sup> and 21<sup>st</sup> June, we will be running a series of short courses for the general public. Experience is not essential. Please get in touch with Neon Workshops to reserve a place.

### One Day Intensive

Learn everything from transcribing ideas into neon drawings to filling glass forms with gas. At the end of the day everyone takes home a piece of neon they have designed and helped make. Price includes transformer.

### Neon Taster Sessions

An introduction to neon and to how to make it. Watch demonstrations and have a few goes at shaping glass. Price includes electroding and processing practice examples with gas. Transformers are available to buy on the day (HF: £90/ Traditional: £126).

Places are confirmed once payment is received in full. Payment can be made to Neon Workshops by Bank Transfer or Paypal. If you wish to withdraw from the workshop you will receive full reimbursement provided a minimum notice of 28 days before the workshop has been given. Course prices do not include travel, accommodation or food, which should be organised by participants.

We teach members of the public from the age of 14 years and above. Those below the age of 16 must be accompanied by an adult.
